BOSTON HEIGHTS, Ohio, Jan. 24, 2024 (GLOBE NEWSWIRE) -- [Arhaus](#) (NASDAQ: ARHS), a leader in artisan-crafted and responsibly sourced home furnishings, debuts its Spring 2024 Collection, 'A Story Unfolding.' Presenting luxurious Italian upholstery introductions and collection expansions, a relaunch of its bedding assortment, and a celebration of materials, time-honored techniques, and artisan roots, 'A Story Unfolding' treasures the memories of home while inspiring those to come. The complete Spring 2024 Collection is now available online at [Arhaus.com](#) and in more than 90 Arhaus showrooms nationwide.

"Storytelling is at the heart of Arhaus, and there's no greater moment than the start of a new year to embark on the next chapter," said John Reed, Arhaus Co-Founder and CEO. "Every curve, corner and texture of our home weaves a story that is uniquely ours, representing our experiences and setting the tone for new chapters ahead. 'A Story Unfolding' honors what this sentiment means to us through its pages dedicated to timeless craftsmanship and captivating introductions."

'A Story Unfolding' focuses on the mastery of Arhaus' global artisan partners, including beautifully crafted upholstered seating collections from Italy. The [Gianni Collection](#) debuts in textured Bellano Cashmere on its rounded silhouette, while the crisp lines of the [Bianca Collection](#) offer an expertly-tailored seat for Lucino Cashmere to shine. New designs crafted by the brand's artisan partners in North Carolina are also introduced, including the [Davis Three-Piece Sectional](#) with stately curves and Arhaus' renowned comfort, while the casually modern [Pavo Sectional](#) is reimagined in a Barbados Cream performance fabric for everyday durability.

The Spring 2024 Collection also showcases an array of seasonally inspired upholstery with accent chair introductions and new looks for existing icons. The bespoke [Revna Accent Chair](#) arrives in a unique matte olive pattern, while the [Jagger Seating Collection](#) is revitalized with a blush colored, stain-resistant Crypton[®] Home Performance Velvet that gorgeously contrasts against its warm mahogany base. New accent seating this season includes the [Amelia](#), [Amira](#), [Lorda](#) and [Vanna](#) swivel chairs which stand out with timeless, curved architecture and botanically inspired shades that allow any space to bloom with natural beauty.

Arhaus further spotlights the dimensional beauty of natural woods and mixed materiality within 'A Story Unfolding' through new introductions, debuting the [Cocquet Dining Table](#) in solid American walnut made by Amish craftsmen, and the new [Saint Germain Collection](#) which provides endless design possibilities by way of exquisite stone tops and natural oak base finishes and shapes for coffee and dining tables. Natural oak materials continue emerging in the new [Fulton Collection](#), embodying expert craftsmanship and minimalist appeal across storage, dining, bedroom, desk, and more.

Curated to instill comfort in everyday moments, Arhaus introduces The Bedding Collection by Arhaus this spring as a sophisticated relaunch of its bedding assortment. Designed to layer beautifully with coordinating pieces all handcrafted in Portugal, India and a century-old textile mill in Italy, [The Bedding Collection](#) by Arhaus features three [bed sheet](#) materials – linen, percale, and sateen – creating a luxurious foundation for bedspread offerings such as [Mira Voile](#) and [Mihali Matelasse](#) quilts, or [Solange Linen](#) and [Boucle](#) duvets.

Continuing the recent debut of its editorial series, *Storied*, within the pages of *A Story Unfolding* Arhaus offers a first look at the series' second volume, [Bellissimo Segreto](#), launching in February. 'Bellissimo Segreto' – or, "a beautiful secret" – reveals the untold history, artistry and traditions from Arhaus' master craftsmen and sculptors in Italy who reinforce the meaning of bespoke, soul-infused beauty with a spotlight on beloved pieces and collections from the country, including the [Rotoni Chair Collection](#), [Tuscany Dining Table](#), [Palma Tru](#), [Modena Coffee Table](#), [Jiana Collection](#), [Fiona Chandelier](#), and [Vittorio Lighting Collection](#).
