GROWTH STRATEGIES

OUR GROWTH STRATEGIES

- 1 INCREASE BRAND AWARENESS TO DRIVE SALES
- 2 EXPAND OUR SHOWROOM BASE AND CAPTURE MARKET SHARE
- 3 ENHANCE OMNI-CHANNEL CAPABILITIES AND TECHNOLOGY TO DRIVE GROWTH
- 4 INVEST IN GROWTH TO BUILD SCALE AND ENHANCE MARGINS

INCREASE BRAND AWARENESS TO DRIVE SALES: OPPORTUNITY

We believe Arhaus has an incredible brand awareness opportunity as compared to competitors in the U.S. Premium Home Furnishings Market.¹ As we continue to grow our showroom footprint and to invest in our digital, catalog and other marketing channels, we see significant opportunity to gain market share.

TRADITIONAL SHOWROOM FOOTPRINT: TREMENDOUS WHITESPACE OPPORTUNITY

We select and develop new showrooms through analysis of specific market characteristics, client demographics and growth opportunities.

In 2021, we opened 3 new traditional showroom locations in a wide array of markets including Boca Raton, FL, Salem, NH and Short Hills, NJ.

In 2022, we opened 2 new traditional locations in Colorado Springs, CO and White Plains, NY.

¹As of December 31, 2022. ²Includes new traditional showrooms and Design Studios.

FORMAT STRATEGY

As leases approach renewal, we evaluate the location and typically relocate or renew the lease and remodel the format.

WE EXPECT TO OPEN AN ADDITIONAL 5 TO 7 NEW SHOWROOMS² PER YEAR, ON AVERAGE, FOR THE FORESEEABLE FUTURE.

CONCEPT: DESIGN STUDIO OPPORTUNITY

¹As of March 10, 2023.

We are expanding our exciting smaller format concept, perfect for second home markets and locations where a lower square footage format is preferred. These stores are staffed with in-home designers and the latest high tech design tools to assist clients in imagining their homes.

We have seven Design Studios open¹ in Asheville, North Carolina; Aspen, Colorado; Burlingame and Carmel, California; Miramar Beach, Florida; Park City, Utah; and Princeton, New Jersey.

We expect to open an additional location in Naperville, Illinois later this year.

STRONG SHOWROOM ECONOMIC MODEL

- New showrooms have historically ramped quickly and generated strong returns on investment. When evaluating new traditional showrooms (~17,000 sq ft), we target minimum net revenue per new showroom of \$10MM+, a target average showroom contribution margin of ~32%, with targeted payback on investment in less than two years.
- Our Design Studio format (~5,000K sq ft) targets a lower per showroom net revenue with a target average contribution margin of ~35% and a targeted payback on investment in less than two years.

IN-HOME DESIGNER PROGRAM

We see significant opportunity to continue to expand our in-home designer program, expanding our coverage both in showrooms and virtually. Our differentiated in-home and online designers resonate with clients and drive AOV uplift.

¹These in-home designers partner with our in-showroom design consultants to efficiently drive revenue and, since 2017 through December 31, 2022, have produced AOVs over three times that of a standard order. ²As of December 31, 2022.
