**PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 16, 2024**

The Company's Board of Directors (or the "Board") is sending you this proxy statement to ask for your vote as a stockholder of Arhaus, Inc. (the "Company") on matters to be voted on at the upcoming Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held virtually on May 16, 2024 at 9:00 A.M. Eastern Time. The Company is first making available this proxy statement, accompanying notice of meeting, proxy form, and the Company's Annual Report to Stockholders on March 28, 2024.

ABOUT THE MEETING

What is the purpose of the Annual Meeting?

The purpose of the Annual Meeting is to vote on matters outlined in the accompanying notice of the meeting, including (i) the election of three Directors, (ii) the approval, on an advisory basis, of our named executive officer compensation, (iii) to hold an advisory vote on the frequency of the stockholder advisory vote on our named executive officer compensation, and (iv) the approval of the Audit Committee's selection of the Company's independent accountants. We are not aware of any other matters that will be presented for your vote at the meeting.

Why is the meeting virtual?

We believe a virtual-only meeting facilitates stockholder attendance and participation by enabling all stockholders to participate fully and equally, and without cost, using an Internet-connected device from any location around the world. In addition, the virtual-only meeting format increases our ability to engage with all stockholders, regardless of size, resources, or physical location.

Who can attend the meeting?

Only stockholders as of the record date, which is March 18, 2024, or their duly appointed proxies, may attend the meeting.

In order to attend the meeting, you must register at www.proxydocs.com/ARHS. Upon completing your registration, you will receive further instructions via email, including a unique link that will allow you access to the meeting and to vote during the meeting.

As part of the registration process, you must enter the control number located on your proxy card or voting instruction form. If you are a beneficial owner of shares registered in the name of a broker, bank, or other nominee, you will also need to provide the registered name on your account and the name of your broker, bank, or other nominee as part of the registration process.

When and where is the meeting?

On May 16, 2024, you may access the virtual-only meeting by using the unique link that will be included in the instructional email sent following registration. Stockholders may begin to log in fifteen minutes prior to the meeting's start time. The meeting will begin promptly at 9:00 A.M. Eastern Time.

[Table of Contents](#)

If you encounter any technical difficulties accessing the meeting, including any difficulties voting, there will be technical support that you may call. The technical support number will be included in the instructional email sent following registration.

Who is entitled to vote?

Only stockholders of record at the close of business on the record date, March 18, 2024, are entitled to receive notice of the meeting and to vote the number of shares of common stock that they held on the record date. As of the record date, the Company has outstanding 53,241,316 shares of Class A common stock and 87,115,600 shares of Class B common stock. The shares of Class A common stock and Class B common stock vote together on matters submitted to a vote of stockholders. Each outstanding share of Class A common stock entitles its holder to cast one vote on each matter to be voted on, and each share of Class B common stock entitles its holder to cast ten votes on each matter to be voted on.

How do I vote by proxy?

Shares Held of Record. If you hold your shares in your own name as a holder of record with our transfer agent, Equiniti Trust Company, LLC, you may authorize that your shares be voted at the meeting in one of the following ways:

By Internet or Telephone. You may vote by Internet or telephone by following the instructions on the proxy card.

By Mail. If you received a printed copy of the proxy materials, then you may complete, sign, date, and mail your proxy card in the enclosed, postage-prepaid envelope.

Electronically during the Virtual Meeting. You may also vote in real-time by attending the virtual meeting using the unique link included in the instructional email sent following registration.

Shares Held in Street Name. If you hold your shares through a broker, bank, or other nominee (that is, in street name), you will receive instructions from your broker, bank, or nominee that you must follow in order to submit your voting instructions and have your shares voted at the meeting. If you want to vote in real-time virtually at the meeting, you must register in advance at www.proxydocs.com/ARHS. You may be instructed to obtain a legal proxy from your broker, bank, or other nominee and to submit a copy in advance of the meeting. Further instructions will be provided to you as part of your registration process.

If you hold Company shares in multiple accounts, you may receive more than one set of proxy materials. To ensure that all your shares are voted, please submit your proxy or voting instructions for each account for which you have received a set of proxy materials.

May I revoke my proxy?

If you are a holder of record, you may revoke your proxy at any time before it is exercised by delivering written notice of revocation to the Company's Secretary, Allan Churchmack, at the Company's principal executive offices at 51 E. Hines Hill Road, Boston Heights, Ohio 44236.

[Table of Contents](#)

If you hold your shares in street name, you must follow the instructions provided by your broker, bank, or nominee to revoke your voting instructions. Attendance at the meeting will not itself revoke an earlier submitted proxy.

What constitutes a quorum?

The presence at the meeting, either by live virtual attendance or by proxy, of the holders of shares of common stock representing a majority of the voting power outstanding on the record date, March 18, 2024, and entitled to vote will represent a quorum permitting the conduct of business at the meeting. Proxies received by the Company marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What is a “broker non-vote”?

Generally, broker non-votes occur when shares held by a broker in “street name” for a beneficial owner are not voted with respect to a particular proposal because the broker (1) has not received voting instructions from the beneficial owner and (2) lacks discretionary voting power to vote those shares. A broker is entitled to vote shares held for a beneficial owner on routine matters, such as the approval of the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm, without instructions from the beneficial owner of those shares. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on non-routine matters, such as the election of Directors, the proposal on our named executive officer compensation or the proposal on the frequency of the stockholder advisory vote on our named executive officer compensation. Broker non-votes count for purposes of determining whether a quorum is present.

What vote is required to approve each proposal, assuming that a quorum is present at the Annual Meeting?

Proposal One: The three nominees receiving the greatest number of votes ‘FOR’ election will be elected as Directors. If you do not vote for a particular Director nominee, or if you indicate ‘WITHHOLD’ authority for a particular nominee on your proxy form, your vote will not count either for or against the nominee. If your shares are held in street name by a broker or nominee indicating on a proxy that it does not have authority to vote on this or any other proposal, this will result in a broker non-vote, which will not count toward the election of any of the nominees.

Proposal Two: The proposal on our named executive officer compensation is a non-binding advisory vote, and our Board will consider our executive compensation described under Proposal Two to be approved if the proposal receives the affirmative vote of common stock representing a majority of the voting power present in person or by proxy and entitled to vote on the proposal. Because the advisory vote under Proposal Two is considered to be a non-routine matter under the rules of the NYSE, if you do not instruct your broker, bank or other nominee on how to vote the shares in your account for Proposal Two, brokers will not be permitted to exercise their voting authority and uninstructed shares may constitute broker non-votes. Abstentions will have the same effect as a vote against the proposal. Broker non-votes are not deemed to be entitled to vote on the proposal and therefore will have no effect on the outcome of Proposal Two.

[Table of Contents](#)

Proposal Three: The proposal on the frequency of the stockholder advisory vote on our named executive officer compensation is a non-binding advisory vote, and our Board will consider the alternative “Every Year,” “Every Two Years” or “Every Three Years” receiving the greatest number of votes of common stock present in person or by proxy and entitled to vote on the proposal to be the stockholders’ non-binding choice as to the frequency of future stockholder advisory votes on our named executive officer compensation. Because the advisory vote under Proposal Three is considered to be a non-routine matter under the rules of the NYSE, if you do not instruct your broker, bank or other nominee on how to vote the shares in your account for Proposal Three, brokers will not be permitted to exercise their voting authority and uninstructed shares may constitute broker non-votes. Abstentions and broker non-votes will not count in the determination of which alternative receives the highest number of votes and therefore will have no effect on the outcome of this proposal.

Proposal Four: Although the Audit Committee may select the Company’s independent accountants without stockholder approval, the Audit Committee will consider the affirmative vote of the holders of shares of common stock representing a majority of the voting power present in person or by proxy and entitled to vote on the proposal to be an approval by the stockholders of the selection of PricewaterhouseCoopers LLP as the Company’s independent accountants. Abstentions will have the same effect as a vote against the proposal. Approval of the Audit Committee’s selection of the Company’s independent accountants is a “routine” matter so there should be no broker non-votes with respect to this proposal.

Who is soliciting my proxy?

This solicitation of proxies is made by and on behalf of the Company’s Board of Directors. The Company will bear the cost of the solicitation of proxies. In addition to the solicitation of proxies by mail, regular employees of the Company may solicit proxies by telephone, facsimile, or email.

PROPOSAL ONE: ELECTION OF DIRECTORS

The Company was formed in July 2021 in connection with the initial public offering of the Company's common stock on November 4, 2021 (the "IPO"), and the initial Directors were Messrs. Adams, Reed, and Brutocao. Messrs. Beargie, Roth, Doody, Kyees and Lewis and Ms. Hyde were appointed to the Board of Directors at the time of the IPO. On March 2, 2023, the Board determined to increase the size of the Board to ten members and appointed Ms. DePree to fill the vacancy. Mr. Brutocao resigned from the Board on October 3, 2023 and the size of the Board was reduced to nine members.

The Company's Amended and Restated Certificate of Incorporation provides that our Board of Directors is classified into three classes, as nearly equal in size as practicable, with staggered three-year terms. Our Class I Directors, who include Albert Adams, John Kyees, and John Roth, were elected at the 2022 Annual Meeting of Stockholders and their terms will expire at the Annual Meeting to be held in 2025. The Class II Directors, who include Alexis DePree, Andrea Hyde, and Rick Doody, were elected at the 2023 Annual Meeting of Stockholders and their terms will expire at the Annual Meeting to be held in 2026. The Class III Directors are Bill Beargie, Gary Lewis, and John Reed, and their terms will expire at the Annual Meeting to be held on May 16, 2024.

The three Director nominees who receive the greatest number of 'FOR' votes will be elected as Directors. If elected, each nominee will serve as a Director for a three-year term and until his successor is duly elected and qualified at the Annual Meeting to be held in 2027. Unless you specify otherwise, the shares of stock represented by your proxy will be voted to re-elect all of the Director nominees set forth in this proxy statement. If for any reason any of the nominees is not a candidate when the election occurs (which is not expected), the Board intends that proxies will be voted for the election of a substitute nominee designated by the Board as recommended by the Nominating & Corporate Governance Committee.

The Board of Directors recommends that the stockholders vote FOR the Director nominees named below.

We believe Mr. Reed is qualified to serve on our Board of Directors because of, among other things, his extensive knowledge and experience with the business and his role as our Founder¹ and CEO.

¹ "Founder" refers to John Reed and when used in the context of ownership of our securities, includes trusts or other entities controlled by him that hold Class B common stock.

GOVERNANCE

Leadership Structure of our Board of Directors

Our Board leadership structure consists of a combined CEO and Chairman of the Board, along with an Independent Lead Director. Arhaus believes that a combined CEO and Chairman of the Board role is appropriate because it provides an efficient and effective leadership structure for the Company. It promotes alignment between the Board and management on Arhaus' strategic objectives, facilitates effective presentation of information to enable the Board to fulfill its responsibilities, and allows for productive and effective Board meetings. The Board is composed of nine Directors. Mr. Reed serves as the CEO and Chairman, and Mr. Adams serves as the Independent Lead Director.

Board Meetings

The Board held six meetings in the 2023 fiscal year. Each Director who served in fiscal year 2023 attended more than 75% of the aggregate number of meetings of the Board and committees on which he or she served in such fiscal year. Although the Company has not established a policy regarding Director attendance at the stockholder meeting, it is expected that all Directors will be available to attend the Annual Meeting. All Directors who served in fiscal year 2023 attended the 2023 Annual Meeting.

Director Independence

Our Board of Directors has undertaken a review of the independence of each Director. Based on information provided by each Director concerning his or her background, employment, and affiliations, our Board of Directors has determined that Ms. Hyde and Ms. DePree and Messrs. Adams, Beargie, Brutocao (who resigned from the Board on October 3, 2023), Doody, Kyees, Lewis and Roth qualify as "independent directors," as defined under the rules of Nasdaq. The Board of Directors considered the effect of a real estate consulting agreement by and between the Company and Mr. Lewis, which provides for annual fees of no more than \$120,000 paid to Mr. Lewis, and determined that such agreement did not impair Mr. Lewis' ability to exercise independent judgement. Mr. Reed is the Company's CEO and, therefore, not independent from the Company.

Board Diversity

The Board Diversity Matrix sets forth information about the diversity of the Board of Directors in accordance with the Nasdaq board diversity disclosure rules. Each of the categories listed below has the meaning as used in Nasdaq Rule 5605.

Our Audit Committee has the following responsibilities, among other matters:

- appointing, compensating, retaining, evaluating, terminating, and overseeing our independent registered public accounting firm;

The Compensation Committee may, in its sole discretion, retain or obtain the advice of compensation consultants, counsel, or other advisors to carry out its duties. The Compensation Committee must consider such third party's independence from Company management before selecting or receiving their advice.

Compensation Committee Interlocks and Insider Participation

No member of our Compensation Committee is, or has been, an officer or employee of our Company, other than Mr. Beargie, who was the Chief Financial Officer of the predecessor of the Company from 1987 to 1997. None of our executive officers served as a member of the board of directors or compensation committee (or other board committee serving an equivalent function) of any entity that has one or more of its executive officers serving on our Board of Directors or Compensation Committee.

Nominating & Corporate Governance Committee

Our Nominating & Corporate Governance Committee consists of Andrea Hyde, Rick Doody, and John Roth, with Ms. Hyde serving as Chair. Our Nominating & Corporate Governance Committee is responsible for, among other matters:

- identifying, evaluating, and selecting, or making recommendations to our Board of Directors about nominees for election to our Board of Directors and its committees;
- evaluating the performance of our Board of Directors and of individual Directors;
- reviewing and making recommendations to our Board of Directors regarding Director independence determinations;
- making recommendations to our Board of Directors about the composition of the Board of Directors and its committees; and
- developing and recommending to our Board of Directors corporate governance guidelines and principles.

[Table of Contents](#)

The Nominating & Corporate Governance Committee recommends potential Director candidates to the Board. In making its recommendations, consistent with the Committee's charter, the Committee considers qualifications and qualities, such as age, skills, gender, ethnicity, areas of expertise, and other relevant factors as they relate to the current Board composition. There are no other stated criteria for Director nominees, and the Board may establish criteria for nominee evaluation.

The Nominating & Corporate Governance Committee identifies nominees by first determining whether current Board members are willing to continue to serve and the appropriate size of the Board. If any Board member does not wish to continue to serve, if the Committee or Board decides not to nominate a member for re-election, or if there is otherwise a vacancy on the Board, then the Committee identifies the desired skills and experience in light of the criteria outlined above. The Committee then seeks potential Director candidates through recommendations from the Board, senior management, stockholders, and third parties. The Committee may retain a search consultant to supplement potential Board candidates if it deems it advisable.

Each of Messrs. Beargie, Lewis and Reed were nominated for re-election as a Director because the Board and Nominating & Corporate Governance Committee believe that they have demonstrated leadership experience, deep knowledge of the Company, and specific industry experience. The Board and the Committee believe that the skills and qualifications of each of the nominees, combined with each Director's background and ability to work in a positive and collegial fashion, benefit the Company and its stockholders by creating a strong and effective Board.

In connection with the IPO, we entered into an investor rights agreement with the Freeman Spogli Funds², our Founder, and the Class B Trusts³ (the "Investor Rights Agreement"), pursuant to which the Freeman Spogli Funds are entitled to nominate (a) two Directors for election to our Board of Directors for so long as the Freeman Spogli Funds collectively hold 60% or more of the shares of Class A common stock held by Freeman Spogli Funds immediately prior to the completion of the IPO, and (b) one Director for election to our Board of Directors for so long as the Freeman Spogli Funds collectively hold 20% or more of the shares of Class A common stock held by Freeman Spogli Funds immediately prior to the completion of the IPO. Pursuant to the terms of the Investor Rights Agreement, the Freeman Spogli Funds, our Founder, and the Class B Trusts agreed to vote in favor of Freeman Spogli Funds' nominees and our Founder or his designee to our Board of Directors. In addition, subject to certain conditions, the Investor Rights Agreement provides the Freeman Spogli Funds with certain rights with respect to board committee membership, except to the extent that such membership would violate applicable securities laws or stock exchange or stock market rules.

The Freeman Spogli Funds nominated Messrs. Brutocao and Roth to serve as Directors in 2021, nominated Mr. Roth for re-election to our Board of Directors in 2022, and nominated Mr. Brutocao for re-election to our Board of Directors in 2023.

² The "Freeman Spogli Funds" refers to the FS Equity Partners VI, L.P. and FS Affiliates VI, L.P. funds affiliated with Freeman Spogli & Co. Each of Messrs. Brad J. Brutocao, Bradford M. Freeman, Benjamin D. Geiger, Todd W. Halloran, John S. Hwang, Christian B. Johnson, Jon D. Ralph, John M. Roth, J. Frederick Simmons, and Ronald P. Spogli is a managing member of FS Capital Partners VI, LLC, the general partner of FS Equity Partners VI, L.P. and FS Affiliates VI, L.P.

³ The "Class B Trusts" include (i) the John P. Reed Trust dated 4/29/1985, as amended, or the 1985 Trust, of which Mr. Reed is trustee, (ii) the Reed 2013 Generation Skipping Trust, or the 2013 Trust, of which Messrs. Adams and Beargie are trustees, and (iii) the 2018 Reed Dynasty Trust, or the 2018 Trust, of which Messrs. Adams and Beargie are trustees.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

POLICY

Pursuant to the Related Party Transactions Policy, the Audit Committee reviews and must approve or disapprove all related party transactions. Proposed transactions between the Company and related persons (“Related Person(s)”), as defined in Regulation S-K Item 404 under the Securities Act of 1933, as amended (the “Securities Act”), are submitted to the Audit Committee for full consideration. The relationship of the parties and the terms of the proposed transaction are reviewed and discussed by the Audit Committee, and the Audit Committee may approve or disapprove the Company entering into the transaction. All related party transactions, whether or not such transactions must be disclosed under Regulation S-K Item 404, are approved or disapproved by the Audit Committee pursuant to the policy.

In connection with the review and approval or ratification of a Company transaction with a Related Person, the Audit Committee considers the following, among other items:

- the basis on which the person is a Related Person, the material terms of the Related Person transaction, including the approximate dollar value of the amount involved in the transaction and all the material facts as to the Related Person’s direct or indirect interest in, or relationship to, the Related Person transaction;
- whether the transaction with the Related Person is proposed to be, or was, entered into on terms no less favorable to us than terms that could have been reached with an unrelated third party and the purpose of, and the potential benefits to us of, such transaction;
- whether the Related Person transaction complies with the terms of our agreements that may limit or restrict our ability to enter into a Related Person transaction and governing law; and
- whether the Related Person transaction will be required to be disclosed in our applicable filings under the Securities Act or the Exchange Act, and related rules and regulations.

In addition, the Board of Directors, in connection with any approval or ratification of a Related Person transaction involving a non-employee Director or Director nominee, should consider whether such transaction would compromise the Director or Director nominee’s status as an “independent” or “outside” director under the rules and regulations of the SEC, the Nasdaq and the U.S. Internal Revenue Code of 1986, as amended.

TRANSACTIONS WITH RELATED PERSONS

Since the beginning of the 2022 fiscal year, the following transactions have occurred, or are proposed, which involve the Company and a Related Person as defined in Regulation S-K Item 404 under the Securities Act for an amount exceeding \$120,000.

The following discussion provides an overview of the compensation awarded to or earned by our named executive officers identified in the Summary Compensation Table below during fiscal year 2023, including the elements of our compensation program for named executive officers, material compensation decisions made under that program for fiscal year 2023, and the material factors considered in making those decisions. Compensation decisions with respect to our executive officers are made by the Compensation Committee. Our named executive officers for fiscal year 2023, which consist of our principal executive officer and our two next most highly compensated executive officers who were serving as executive officers as of December 31, 2023 are:

- John Reed, who serves as President, Chief Executive Officer and Director and is our principal executive officer;
- Lisa Chi, who serves as Chief Merchandising Officer; and

Details of our Compensation Program

Compensation Philosophy, Objectives, and Rewards

Our executive compensation program has been designed to provide a total compensation opportunity to motivate, reward, attract, and retain high-caliber management deemed essential to ensure our success. The program seeks to align executive compensation with our objectives and business strategy and direct management's efforts toward the achievement of the Company's financial performance goals. Our compensation program for our executives rewards both short- and long-term performance through a mix of cash and equity compensation, providing our executives with an opportunity to share in the appreciation of our business and generation of shareholder value.

Our compensation philosophy reflects the following general principles:

- support long-term sustainable business growth by attracting, retaining and motivating innovative, effective, and engaged leaders;
- apply consistent principles that support ethical leadership of Arhaus in the highly competitive retail landscape;
- consider the marketplace, Arhaus performance, and individual contributions when making compensation decisions; and
- create incentives aligned with achievement of the Company's goals to drive long-term sustainable value for all our stakeholders.

We have historically maintained an annual cash incentive program providing for payouts based on the achievement of Company performance objectives. Prior to our IPO, we also granted incentive units to our executives, which units were exchanged for restricted shares of Class A common stock or Class B common stock in connection with the IPO. These incentive programs were designed to reward achievement of our long-term business objectives while promoting executive retention and reinforcing executive interest in Arhaus and its performance.

[Table of Contents](#)

As Arhaus grows, we intend to continue to emphasize “at-risk” compensation based on the achievement of performance objectives in order to drive our performance objectives and appropriately align the financial interests of our executive officers to those of our stockholders.

Determination of Executive Compensation

The Compensation Committee is responsible for establishing, implementing, and monitoring adherence to the Company’s compensation philosophy for the CEO and other executive officers. In making executive compensation determinations, the Compensation Committee works together with our CEO to review the effectiveness of our program and determine awards for our executives (other than with respect to his own compensation).

The Committee also retained Aon Hewitt, an independent compensation consultant (the “Compensation Consultant”), in 2023 to advise on executive compensation matters. The Compensation Consultant reports directly to the Compensation Committee and, pursuant to the Compensation Committee’s instructions, advises the Committee and management on the design of appropriate executive compensation plans, analyzes the effectiveness of existing plans, and conducts market research for the competitiveness of base salary, annual incentive levels, and long-term incentive awards. The Compensation Consultant did not provide any additional services to the Company during 2023. In connection with its engagement of the Compensation Consultant, the Committee conducted a conflict of interest assessment of Aon Hewitt and found that no conflicts of interest exist.

Elements of our Executive Compensation Program

The Company’s executive compensation program consists of the following elements, each established in order to achieve the compensation objective specified below:

Compensation Element	Desired Objectives and Key Features
Base Salary	Attracts and retains key talent by offering base cash compensation at competitive levels
Cash-Based Incentive Compensation	Provides short-term incentives based on the Company’s annual performance
Equity Compensation	Provides long-term equity incentives to align the interests of our named executive officers and stockholders and to retain key talent
Severance and Other Benefits Potentially Payable upon Termination of Employment or Change in Control	Creates clarity around termination or change in control events and provides for retention of executives
Health and Welfare Benefits	Offers market-competitive benefits

Base Salaries

The base salaries of our named executive officers are an important part of their total compensation package and are intended to reflect their respective positions, duties, and responsibilities. Base salary is a visible and stable fixed component of our compensation program. Base salaries for our named executive officers are reviewed annually by the Compensation Committee. The Compensation Committee considers (i) competitive market data provided by the Compensation Consultant for base salary, annual incentive targets and long-term incentive awards, (ii) the recommendations of the CEO, and (iii) the experience, tenure, and performance of each executive.

The following table sets forth the base salary and adjustments for fiscal year 2023 for each named executive officer:

Named Executive Officer	2022 Base Salary	2023 Base Salary	Increase
John Reed	\$1,400,000	\$1,456,000	4.0%
Lisa Chi	\$420,000	\$436,800	4.0%
Venkat Nachiappan	\$400,000	\$416,000	4.0%

Cash-Based Incentive Compensation

We consider annual cash incentive bonuses to be an important component of our total compensation program.

Annual Incentive Plan

For fiscal year 2023, the Compensation Committee adopted a cash-based incentive plan, the Arhaus Incentive Plan (“AIP”), in which certain team members, including our named executive officers, participated. Each participant had a target incentive amount based on a percentage of base salary for 2023 (“Target Incentive”). In fiscal year 2023, the Target Incentives for our named executive officers were as follows:

Named Executive Officer	Target Incentive as Percentage of Salary
John Reed	60%
Lisa Chi	50%
Venkat Nachiappan	50%

Awards under the AIP were based on the Company’s achievement towards goals established for two metrics: (a) 2023 Adjusted EBITDA (before bonus) and (b) 2023 demand. Adjusted EBITDA is defined on the same basis and using the same criteria that were applied in connection with establishing the 2023 budget and was calculated before giving effect to payments under the AIP. Adjusted EBITDA is defined as EBITDA (net income before depreciation and amortization, interest expense and taxes) further adjusted for equity based compensation expense, annual corporate bonus expense and other expenses. Demand is an

operating metric that we use to measure the dollar value of orders (based on purchase price) at the time the order is placed, net of the dollar value of cancellations and returns (based on unpaid purchase price and amount credited to client).

In establishing the levels of Adjusted EBITDA and demand that would earn payouts, the Compensation Committee used a matrix of potential results based on business expectations. The Compensation Committee determined a threshold AIP payout of 20% of Target Incentive and a maximum AIP payout of 200% of Target Incentive. For fiscal year 2023, the Compensation Committee determined in light of the Company's financial performance as compared to its peers, based on the performance goals established, a payout equal to 80% of Target Incentive was appropriate. The AIP amounts awarded to each named executive officer for fiscal year 2023 are set forth below in the Summary Compensation Table in the columns entitled "Non-Equity Incentive Plan Compensation" and "Bonus."

Equity Compensation

In connection with our IPO, the Board adopted the 2021 Equity Incentive Plan in order to facilitate the grant of cash and equity incentives to Directors, team members (including our named executive officers), and consultants of the Company and certain of its affiliates and to enable the Company and certain of its affiliates to obtain and retain the services of these individuals, which is essential to our long-term success.

A substantial portion of compensation for our executive officers (other than John Reed) is in the form of long-term equity compensation. For 2023, equity compensation consisted of restricted stock units ("RSUs") and performance stock units ("PSUs") from the 2021 Equity Incentive Plan. This design ensures that the majority of compensation opportunity is linked to the Company's financial performance.

Each RSU represents a contingent right to receive one share of the Company's Class A common stock upon vesting. The RSUs vest in one-third increments on each of the first, second and third anniversary of the date of grant, provided that the executive officer continues to serve the Company through the applicable vesting date ("Continuous Service").

Each PSU represents a contingent right to receive one share of the Company's Class A common stock. The number of PSUs earned will be based on the Company's financial performance as measured against pre-established target goals for (1) cumulative demand revenue and (2) a cumulative adjusted EBITDA metric over the performance period beginning on January 1, 2023 and ending on December 31, 2025 (the "Performance Period"). PSUs will vest as of the end of the Performance Period subject to the executive officer's Continuous Service, but will not settle and payout until the number of PSUs earned is determined by the Compensation Committee. The executive officer may earn between 0% and 200% of the PSU Target Award based on the Company's achievement of the performance goals.

During 2023, the Compensation Committee approved the equity awards set forth in the table below.

Named Executive Officer	RSUs	PSUs Target Award
John Reed	0	0
Lisa Chi (1)	157,019	21,057
Venkat Nachiappan (2)	155,615	16,846

- (1) Includes (i) 7,019 RSUs granted on March 10, 2023, (ii) 150,000 RSUs granted on November 9, 2023, and (iii) 21,057 PSUs granted on March 10, 2023.
- (2) Includes (i) 5,615 RSUs granted on March 10, 2023, (ii) 150,000 RSUs granted on November 9, 2023, and (iii) 16,846 PSUs granted on March 10, 2023.

Perquisites and Other Benefits

We provide select perquisites to aid in the performance of the named executive officers' respective duties and to provide competitive compensation with executives with similar positions and levels of responsibilities. For example, during fiscal year 2023, Mr. Reed was permitted to use the company aircraft for personal use, and Mr. Reed also received an employee discount for Arhaus merchandise in excess of the discount provided to employees generally. For additional information regarding perquisites provided to our named executive officers, see "Summary Compensation Table" below.

We maintain a corporate aircraft that is used primarily for business travel by our executive officers. As noted above, we permit Mr. Reed to use this aircraft for personal use. We determine the incremental cost of the personal use of our corporate aircraft based on the variable operating costs to us in connection with such personal use. Because our aircraft is used primarily for business travel, this methodology excludes fixed costs that do not change based on usage.

Health and Welfare Benefits

All of our full-time team members, including our named executive officers, are eligible to participate in our health and welfare plans, including:

- medical, dental and vision benefits;
- medical and dependent care flexible spending accounts;
- health savings account;
- short-term and long-term disability insurance; and
- basic, supplemental, spousal, and dependent life insurance.

We believe the benefits described above are necessary and appropriate to provide a competitive compensation package to our named executive officers.

Clawback Policy

We have adopted a Dodd-Frank Wall Street Reform and Consumer Protection Act-compliant compensation recoupment policy in accordance with SEC and listing exchange requirements. In the event we are required to prepare an accounting restatement, the policy provides for the recovery by the Company of any compensation received after the effective date of the policy by any current or former executive officer that is based wholly or in part upon the attainment of a restated financial reporting measure.

401(k) Plan

We currently maintain a 401(k) retirement savings plan for our team members, including our named executive officers, who satisfy certain eligibility requirements. Our named executive officers are eligible to participate in the 401(k) plan on the terms as defined by the IRS. They are eligible to contribute on a pre-tax basis through contributions to the 401(k) plan, subject to applicable annual Code limits. All participants' interests in their deferrals are 100% vested when contributed. The 401(k) plan permits us to make matching contributions to eligible participants. We match up to 4% of the employee contributions in the 401(k) plan if the employee contributes 4%. Company matching contributions vest immediately. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan adds to the overall desirability of our executive compensation package and further incentivizes our team members, including our named executive officers, in accordance with our compensation philosophy.

Severance and Other Benefits Payable upon Termination of Employment or Change in Control

Our named executive officers, except Mr. Reed, have employment agreements with the Company, pursuant to which they are entitled to receive certain benefits upon qualifying termination. See the section "Potential Payments upon Termination or Change in Control" below for additional information regarding these benefits.

NAMED EXECUTIVE OFFICER EMPLOYMENT AGREEMENTS

John Reed

We do not have an employment agreement with Mr. Reed.

Lisa Chi

On June 17, 2021, we entered into an agreement with Ms. Chi, or the CMO Agreement, providing for her at-will employment with us and for severance payments and benefits upon certain qualifying terminations of Ms. Chi's employment. Pursuant to the CMO Agreement, if Ms. Chi's employment is terminated by us without Cause, or by Ms. Chi with Good Reason, then, subject to her timely signing and non-revocation of a release of claims, she will be entitled to: (i) a lump sum payment equal to six (6) months of base salary; and (ii) a lump sum amount equal to six (6) months of COBRA.

For purposes of the CMO Agreement, "Cause" means (i) an intentional act of fraud, embezzlement, theft or any other material violation of law that occurs during or in the course of Ms. Chi's employment with the Company; (ii) intentional engagement in any competitive activity which would constitute a breach of her duty of loyalty to the Company; or (iii) the willful and continued failure to substantially perform her duties for the Company (other than as a result of incapacity due to physical or mental illness). For purposes of this paragraph, an act, or failure to act, shall not be deemed willful or intentional, as those terms are used herein, unless it is done, or omitted to be done, by Ms. Chi in bad faith or without a reasonable belief that her action or omission was in the best interest of the Company. Failure to meet performance standards or objectives, by itself, does not constitute "Cause." "Good Reason" means the occurrence of one or more of the following events arising without her express written consent, but only if Ms. Chi's resignation follows notification to the Company in writing within thirty (30) days following the Company's awareness of the occurrence of the event and the event remains uncured for at least fifteen (15) days after such notice: (i) a reduction in her base salary and/or Target Bonus potential; (ii) a diminution in her employee benefits from those provided to other executives at a similar level, as such benefits may be modified from time to time; (iii) a material diminution in her authority, duties or responsibilities; or (iv) the Company requires her to be based anywhere other than within fifty (50) miles of Boston Heights, Ohio.

Venkat Nachiappan

On May 11, 2021, we entered into an agreement with Mr. Nachiappan, or the CIO Agreement, providing for his at-will employment with us and for severance payments and benefits upon certain qualifying terminations of Mr. Nachiappan's employment. Pursuant to the CIO Agreement, if Mr. Nachiappan's employment is terminated by us without Cause, or by Mr. Nachiappan with Good Reason, then, subject to him timely signing and non-revocation of a release of claims, he will be entitled to: (i) a lump sum payment equal to six (6) months of base salary; and (ii) a lump sum amount equal to six (6) months of COBRA.

For purposes of the CIO Agreement, "Cause" and "Good Reason" have the same meaning as in the CMO Agreement.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Potential Payments upon Termination

The following is a description of the payments that may be made to our named executive officers upon several events of termination or a change in control.

Pursuant to the employment agreements with each of Ms. Chi and Mr. Nachiappan, if the named executive officer's employment is terminated by the Company without Cause, then, subject to her or his timely signing and non-revocation of a release of claims, she or he will be entitled to: (i) a lump sum payment equal to six (6) months of base salary and (ii) a lump sum amount equal to six (6) months of COBRA.

Restricted Shares

Prior to the IPO and our corporate reorganization, we granted incentive units that gave the grantee the right to participate in future profits and appreciation in the value of our operating business, Arhaus, LLC. These incentive units were exchanged at the time of the IPO and in connection with the reorganization for shares of Class A common stock (or Class B common stock in the case of Mr. Reed). A portion of such shares vested at the time of the IPO, and the remaining shares were issued as restricted shares of Class A common stock (or Class B common stock in the case of Mr. Reed) (the "Restricted Shares"). The terms of the LLC operating agreement which governed the incentive units provided for full acceleration of each of the named executive officer's incentive units in the event of a change in control. As described herein, the Restricted Shares are subject to the same terms, and will vest in full in the event of a change in control.

RSUs

If the executive officer's Continuous Service terminates for any reason other than death, Disability or in connection with a Change in Control (as such terms are defined in the 2021 Equity Incentive Plan), unless the Compensation Committee determines otherwise, all RSUs that are unvested at the time of such termination shall be forfeited and canceled immediately without consideration. If the executive officer's Continuous Service terminates due to death or Disability, any unvested RSUs will become fully vested. If there is a Change in Control, unless otherwise determined by the Compensation Committee, any unvested RSUs that are not assumed or substituted with a substantially equivalent award by the successor corporation will become fully vested immediately prior to the Change in Control. If the executive officer's Continuous Service is terminated without Cause (as defined in the 2021 Equity Incentive Plan) within the sixty (60) days preceding or the twenty-four (24) months following the Change in Control, then any unvested RSUs shall vest upon the later of the date of the termination of Continuous Service and the date of the Change in Control.

PSUs

If the executive officer's Continuous Service terminates for any reason other than: (i) for Cause (as defined in the 2021 Equity Incentive Plan); (ii) death; (iii) Disability; or (iv) in connection with a Change in Control, unless the Compensation Committee determines otherwise, all unvested PSUs shall be forfeited and canceled immediately without consideration.

[Table of Contents](#)

If the executive officer's Continuous Service terminates for Cause, the PSUs, whether or not vested, will be forfeited and canceled immediately without consideration. If the executive officer's Continuous Service terminates due to death prior to the end of the Performance Period, the PSUs will be earned and paid immediately based on the PSU Target Award. If the executive officer's Continuous Service terminates due to death after the Performance Period, but prior to payout, the PSUs will be earned and paid based on the Company's achievement of the performance goals as if the executive officer's Continuous Service had not terminated. If the executive officer's Continuous Service terminates due to Disability, the PSUs will be earned and paid based on the Company's achievement of the performance goals as if the executive officer's Continuous Service had not terminated.

Pay Versus Performance

As required by Section 953(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(v) of Regulation S-K, we are providing the following information about the relationship between executive “compensation actually paid” (as computed in accordance with Item 402 of Regulation S-K) and certain financial performance of the Company. “Compensation actually paid” does not reflect the actual amount of compensation earned or paid to an executive officer, and may differ significantly because of the impact of equity awards. For further information concerning the Company’s variable pay-for-performance philosophy and how the Company aligns executive compensation with the Company’s performance, refer to “Executive Compensation.”

Narrative Disclosure to Pay Versus Performance Table

Relationship Between Financial Performance Measures

We are providing the following graphics to illustrate the relationship between the “compensation actually paid” to our CEO and our NEOs (excluding the CEO) and Company performance as set forth and described in and under the “Pay versus Performance Table,” including the Company cumulative total shareholder return (“TSR”) and net income.

PROPOSAL TWO: ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

Commonly referred to as a “say-on-pay” vote, this is a proposal for our stockholders to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement pursuant to Section 14A of the Securities Exchange Act of 1934 (the “Exchange Act”).

Accordingly, we ask our stockholders to vote on the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the Annual Meeting, including the disclosures in the Executive Compensation section, the Summary Compensation Table, and the other related tables and disclosures.”

This vote is advisory, and therefore not binding, on the Company, our Board of Directors or the Compensation Committee. Our Board and our Compensation Committee value the opinions of our stockholders, and to the extent there is any significant vote against this Proposal Two, we will consider our stockholders’ concerns, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Compensation Program and Philosophy

As described in greater detail in the “Executive Compensation” portion of the Proxy Statement, our executive compensation program has been designed to provide a total compensation opportunity to motivate, reward, attract, and retain high-caliber management deemed essential to ensure our success. The program seeks to align executive compensation with our objectives and business strategy and direct management’s efforts toward the achievement of the Company’s financial performance goals. Our compensation program for our executives rewards both short- and long-term performance through a mix of cash and equity compensation, providing our executives with an opportunity to share in the appreciation of our business and generation of shareholder value. Specifically, executive compensation consists of base salary, cash-based incentive compensation, equity compensation, severance and other benefits potentially payable upon termination of employment or change in control, and health and welfare benefits.

The Board of Directors recommends that the stockholders vote FOR the approval of our named executive officer compensation.

PROPOSAL THREE: ADVISORY VOTE ON THE FREQUENCY OF THE STOCKHOLDER ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

Commonly referred to as a “say-on-frequency” vote, this proposal is an opportunity for our stockholders to cast an advisory vote on how often we should include a say-on-pay vote in our proxy materials for future annual stockholder meetings pursuant to Section 14A of the Exchange Act. Under this proposal, our stockholders may cast a non-binding advisory vote on whether they would prefer that we conduct a say-on-pay vote every year, every two years or every three years.

We recommend that stockholders vote for an annual opportunity to express their views on named executive officer compensation. By holding a say-on-pay vote every year, our Compensation Committee and Board of Directors will have greater insight into the current views of our stockholders when reviewing and determining compensation.

This vote is advisory, and therefore not binding, on the Company, our Board of Directors or the Compensation Committee.

The Board of Directors recommends that the stockholders vote FOR holding an advisory vote on the approval of our named executive officer compensation EVERY YEAR.

PROPOSAL FOUR: APPROVAL OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT ACCOUNTANTS

PricewaterhouseCoopers LLP served as the independent registered public accounting firm to the Company in 2022 and 2023. Although the Audit Committee has not yet engaged an independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2024, it currently anticipates selecting PricewaterhouseCoopers LLP, and the Company is submitting the selection of PricewaterhouseCoopers LLP as the independent registered public accounting firm for non-binding approval by the stockholders at the 2024 Annual Meeting. Stockholder approval or ratification of the selection of the Company's independent registered public accounting firm is not required by the Company's bylaws or otherwise. However, the Company is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for approval as a matter of good corporate governance practice. Whether or not PricewaterhouseCoopers LLP is approved by the stockholders, the Audit Committee will consider whether it is appropriate to select PricewaterhouseCoopers LLP or another independent registered public accounting firm in its sole discretion without re-submitting the matter to the stockholders.

Representatives of PricewaterhouseCoopers LLP will attend the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Fees

The Audit Committee must pre-approve any audit or permissible non-audit services. The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services, and other services. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. All non-audit services were preapproved by the Audit Committee.

PricewaterhouseCoopers LLP billed the Company in fiscal year 2023 and 2022 the fees set forth in the table below:

	2023	2022
Audit Fees ⁽¹⁾	\$2,566,914	\$1,776,537

The Board of Directors recommends that the stockholders vote FOR approval of the selection of PricewaterhouseCoopers LLP as the Company's independent accountant for the 2024 fiscal year.

In addition to satisfying the requirements under our Bylaws, to comply with the universal proxy rules, a stockholder who intends to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act, which notice must be postmarked or transmitted electronically to us at our principal executive offices no later than 60 calendar days prior to the one-year anniversary date of the annual meeting (for the 2025 annual meeting, no later than March 17, 2025). If the date of the 2025 annual meeting is changed by more than 30 calendar days from such anniversary date, however, then the stockholder must provide notice by the later of 60 calendar days prior to the date of the 2025 annual meeting and the 10th calendar day following the date on which public announcement of the date of the 2025 annual meeting is first made.

Notices of intention to present proposals or nominate Directors at the 2025 Annual Meeting, and all supporting materials required by our bylaws, must be submitted to: Arhaus, Inc., c/o Secretary, 51 E. Hines Hill Road, Boston Heights, Ohio 44236.

HOUSEHOLDING

The SEC permits a single set of the annual report and proxy statement to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate proxy form. This procedure, referred to as householding, reduces the volume of duplicate information stockholders receive and reduces mailing and printing costs. A number of brokerage firms have instituted householding. Only one copy of this proxy statement and the attached annual report will be sent to certain beneficial stockholders who share a single address, unless any stockholder residing at that address gave contrary instructions. If any stockholder residing at such an address desires at this time to (i) receive a separate copy of this proxy statement and the attached annual report, (ii) receive a separate proxy statement and annual report in the future, or (iii) receive only one copy of proxy statements and annual reports to their address if currently receiving more than one, the stockholder should provide such instructions to the Company by calling Investor Relations at 440-439-7700, emailing Investor Relations at invest@arhaus.com, or by writing to Investor Relations, Arhaus, Inc., 51 E. Hines Hill Road, Boston Heights, Ohio 44236.

OTHER MATTERS

If the enclosed proxy is properly executed and returned to the Company, the persons named in it will vote the shares represented by such proxy at the meeting. If you properly complete your proxy form and send it to the Company in time to vote, your proxy (one of the individuals named in the proxy form) will vote your shares as you have directed. If you sign the proxy form but do not make specific choices, your proxy will vote your shares as recommended by the Board of Directors to elect the Director nominees listed in "Election of Directors," "FOR" the approval of our named executive officer compensation, "EVERY YEAR" for the frequency of holding an advisory vote on the approval of our named executive officer compensation, and to approve the selection of PricewaterhouseCoopers LLP as the Company's independent accountants. If any other matters shall properly come before the meeting, the persons named in the proxy will vote thereon in accordance with their judgment.

Management does not know of any other matters which will be presented for action at the meeting.

By order of the Board of Directors,
